

CREACTOS

for your strategic decisions

www.creactos.com

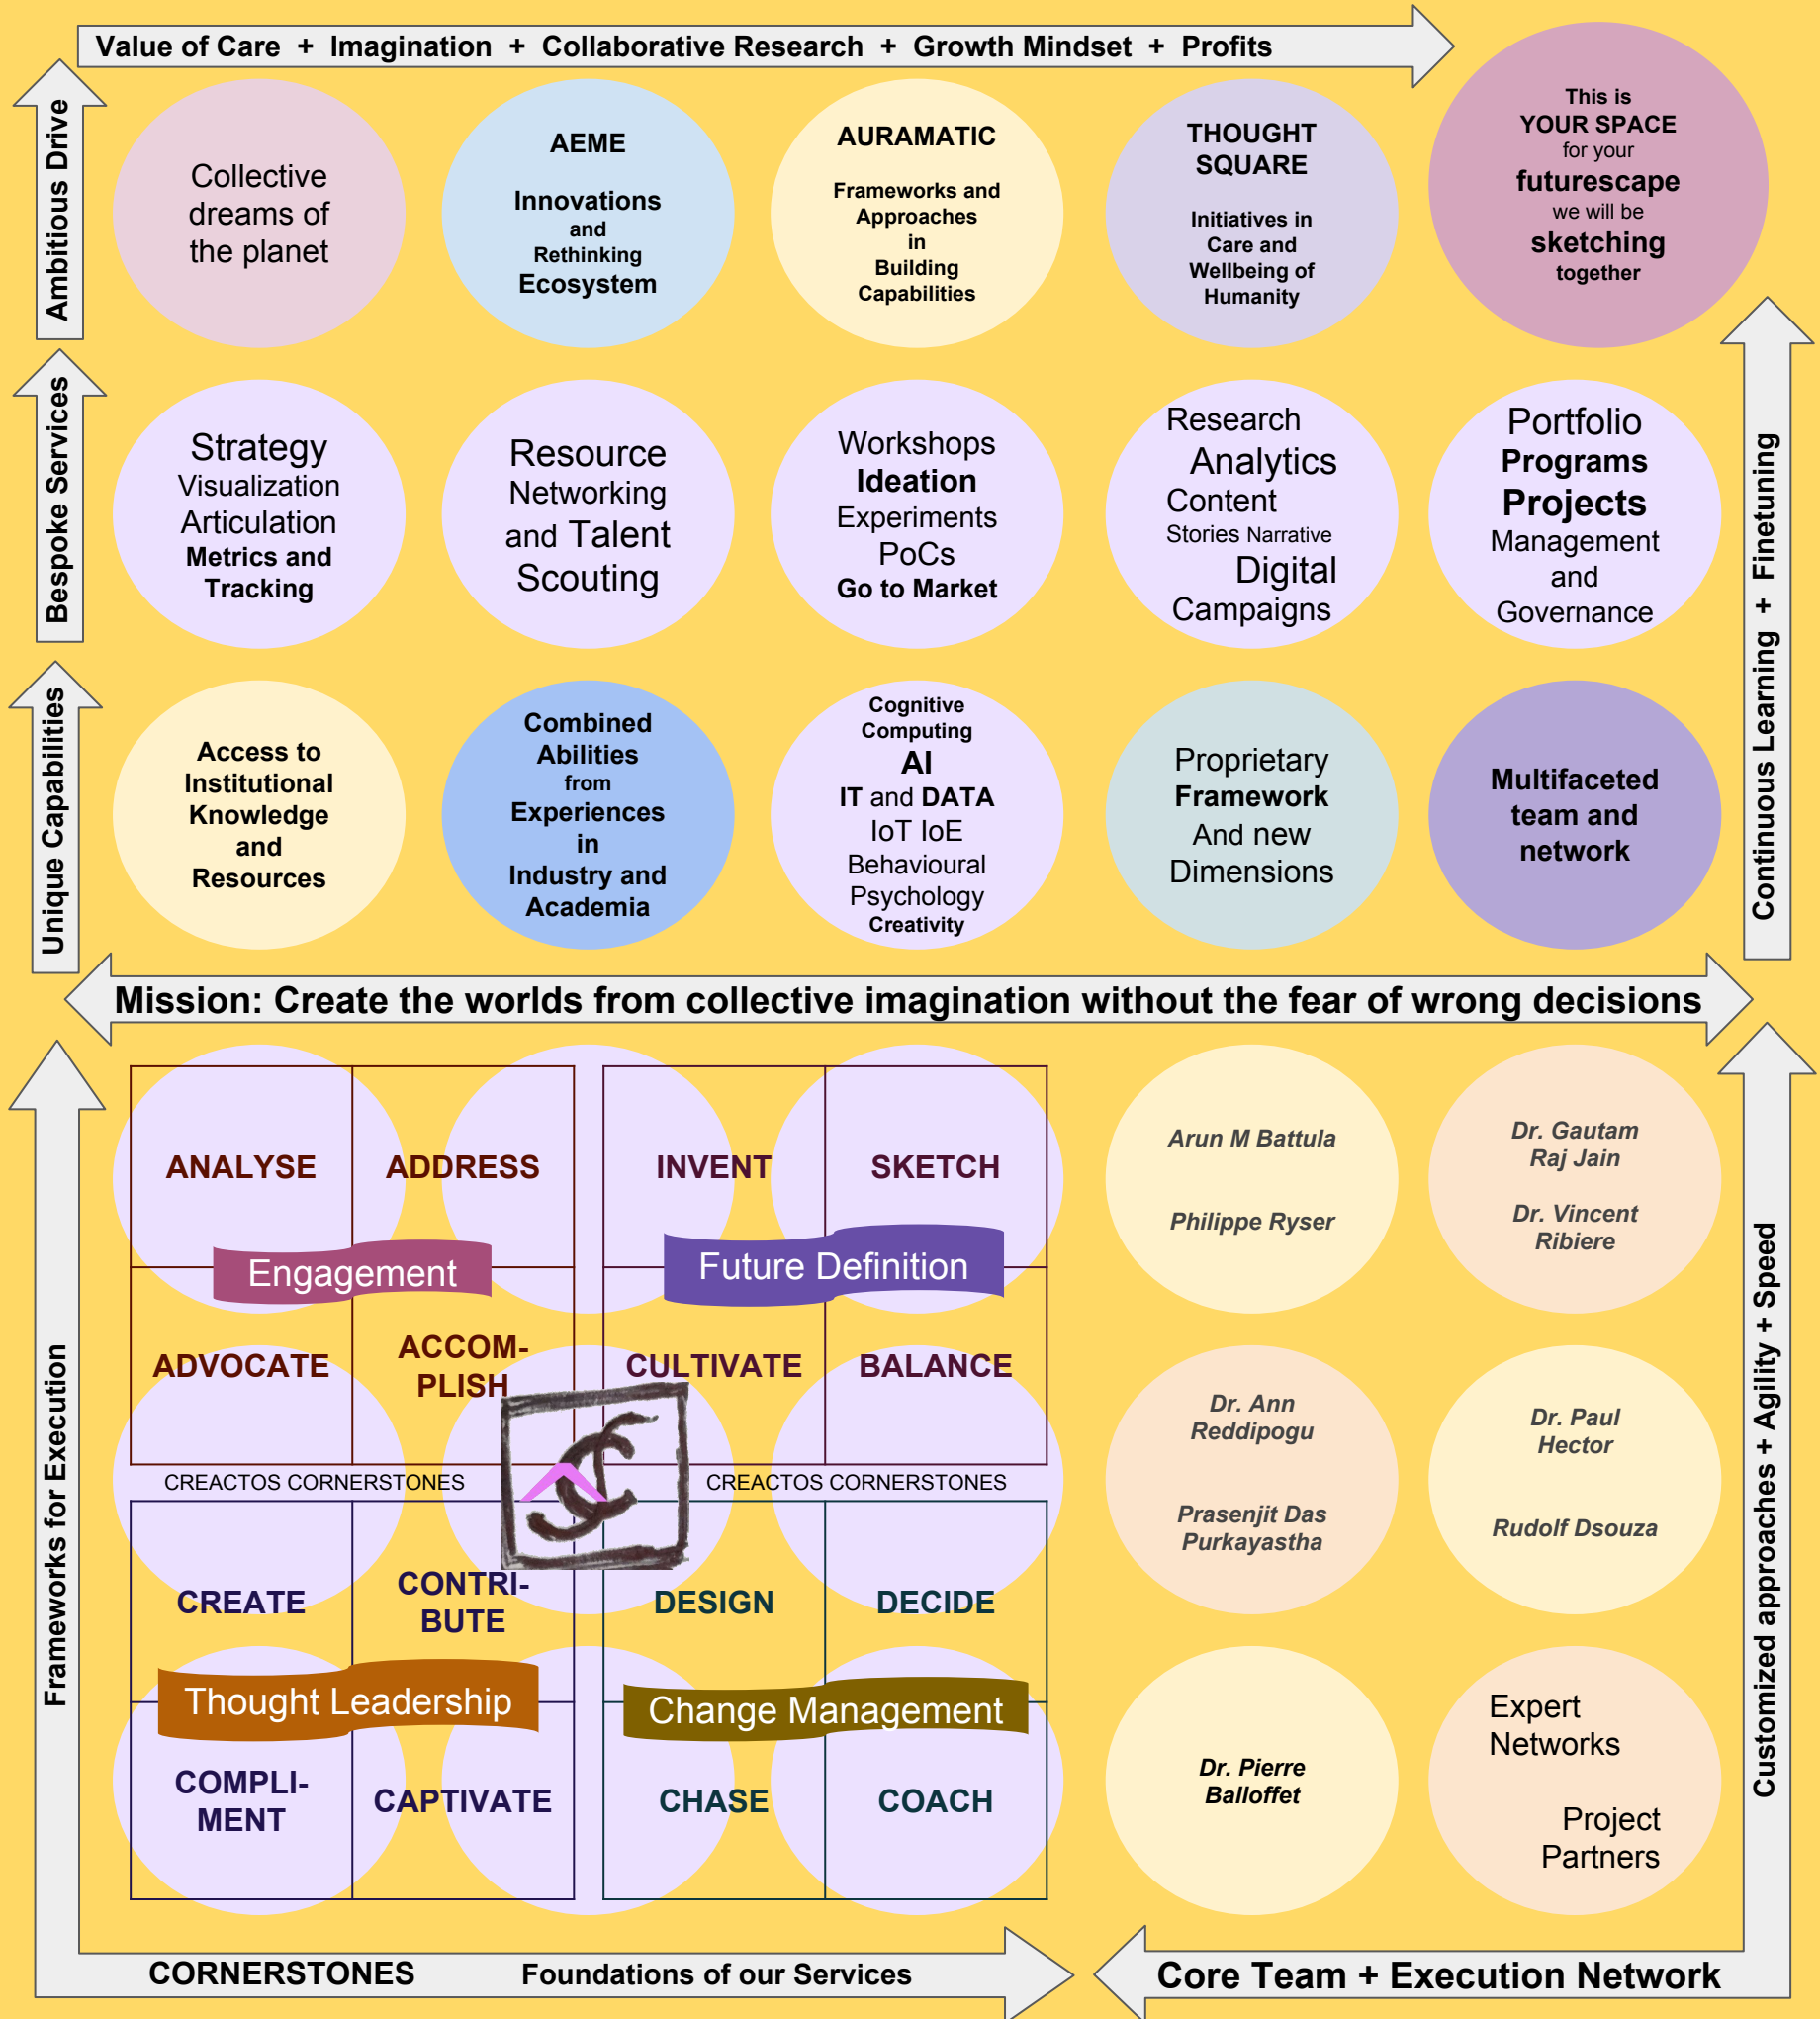

This sketch below is an expression of our emerging ventures, consulting services, delivery of business value, our team's collective strengths, our mission and cornerstones.

The grid of 5x6 artfully woven spheres is an inspiration drawn from the masterpiece 'Galatea of the Spheres', by Salvador Dali, a modern day celebrated artist whom we admire for the boldness, imagination and skilled draftsmanship. Our capabilities and influence are represented here **emerging from our Mission**.

CREACTOS an acronym of **Creative Action Outcomes**, emphasizes the need for
1. Creative Exploration, 2. Planned, Evaluated Actions and 3. Execution for Desired Outcomes.

Showcased here are our capabilities, their origins, strengths and services for you in the 3 dimensions.

CREACTOS Consulting Framework

email: amb@creactos.com

Executive Decision Making is perceived to be an art that is mastered over a long period of time. We at CREATOS have the Solution. Our Framework helps you make better Strategic Decisions, Quicker.

Problem: Decisions based on past experiences are mostly incremental, can be biased. Fear, mistrust, lack of time and scientific techniques, restrain imagination and choice, leading to costly failures and irrevocable loss of time and position.

Our Solution: Creative exploration of options, custom models and coaching for Action, Capability and Desired Outcomes.

Your Benefit: More Time and New Capability to focus on streamlined execution. New Wins and Sustained Growth.
